Harry Kerr joins Alternatives' Board of Trustees

Raritan – Alternatives, Inc. is pleased to announce that Harry Kerr has joined the agency's Board of Trustees. Kerr has been an active member of Alternatives' Human Resources Committee for the past two years. Kerr is President of Copper Hill Ventures, a multifaceted organization that specializes in the human capital industry, helping individuals and organizations throughout the employee lifecycle, with areas of expertise that include hiring and selection, training and development, Executive and Management Coaching, and Succession Planning. During his career, Kerr has consulted with national and global organizations, has been a guest speaker to corporations and associations on a variety of management issues, and has designed and presented workshops around the world.

Kerr earned both his BBA and MBA from Rider University, did postgraduate work at Northwestern University's Kellogg School Business, and is currently completing his doctorate in Organizational Management. Kerr splits his time between his home in Ocean Grove, Monmouth County, and Ringoes, Hunterdon County. In his spare time, he enjoys playing guitar, gardening, furniture refinishing, reading on a variety of topics, and spending time with family and friends at the beach. Kerr expressed interest in joining Alternatives' Board of Trustees because he enjoys sharing his expertise with nonprofits.

“Everyone brings value and has something to add to society,” said Kerr. “We need to make sure they have the right tools and support to help them develop and share that value. I have always been passionate about giving people the opportunity to lead their best lives. Being involved with a leading community provider like Alternatives is not only a continuation of what I do

professionally, it gives me a chance to share my expertise as well as to learn from some of the most dedicated people in their field.”

Alternatives, Inc. is a community-based non-profit organization that provides services in nine New Jersey counties. Alternatives is dedicated to helping individuals with special needs support themselves, gain self-determination and achieve the highest degree of independence possible.
