

THE DAILY RUNDOWN

Volunteers from the Raritan Corp., as part their Better Communities Volunteer project, recently donated time at four Alternatives properties and also raised \$1,680 through a companywide employee fundraiser to offset some of the costs associated with these projects. Alternatives Inc. is a community-based nonprofit organization dedicated to helping individuals with special needs support themselves, gain self-determination and achieve the highest degree of independence possible within their communities. For more information, visit www.alternativesinc.org or call Alternatives at 908-685-1444, ext. 226.
